

The LDR committee of USATF Long Island must plan a safe and effective Cross Country Grand Prix schedule for all participating athletes. Please take into consideration when completing the following application that the LDR committee reviews applications and votes to include races based on the following criteria:

- Sponsoring USATF-LI Club/Organization
- Safety of Competitors, Officials, & Volunteers
- Race sanctioning
- Computerized scoring system
- 5 year age groups
- Race location, distance, and date
- Athlete participation in previous years
- Amenities to the Athletes

Medical Personnel on Site? YES NO
If yes, what organization? _____

Amenities to Athletes:
Restrooms/PORTO-Johns: (number) _____
Shirts? Prize Money? Please give some details: _____

Other important features of your event: _____

Please be aware that USATF has adopted a new mandate requiring the entry blank to have a space where disabled persons have the opportunity to write in a request for a reasonable accommodation for their disability. Such requests must be directed to USATF headquarters in Indianapolis, Indiana in a timely manner, at least one month before the event.

In the past corporate sponsorship has provided a prize money structure enabling USATF-LI to award individual athletes and USATF-LI member teams. Whether the 2010 Cross Country Grand Prix will provide money to athletes, teams, is dependent upon gaining new corporate sponsorship. The LDR committee of USATF-LI is actively looking into funding options for sponsorship of the 2010 Grand Prix. Therefore, we **cannot** guarantee that the athletes/teams will have a monetary prize structure.
